

Mojisola and Debo Adebayo present

Stars

**A concept album
for the stage**

Told through one woman and a live DJ, with projected animation, STARS tells the story of a very... very old lady who goes into outer space... in search of her own orgasm. Isn't that where all the orgasms go?

A moving, sensitive yet funny, multi-sensory and transformative space odyssey to be made aesthetically accessible for all.

Script-in-hand, work-in-progress performance at

HOMOTOPIA FESTIVAL 2019
THURS 7 NOVEMBER 7:30pm
UNITY THEATRE, LIVERPOOL
Running time: 80 mins
